FFA February Trip Report

Students and advisors reported on the February 7–14, 2026 trip, which included visits to the Hill Aerospace Museum, Disneyland (with assigned educational activities), Laguna Beach, World Ag Expo, Alcatraz Island, Golden Gate Bridge, Fresno State Farm, Belmont Nursery, Hoover Dam, Parowan Petroglyphs, and Young Living Farms.

Students shared highlights from the trip, including the Ag Expo, Alcatraz tour, farm operations, and overall experience.

Maintenance Report

Mr. Hager was absent. Ms. Holden reported for him. The windows for the school rental houses will start being replaced in April. The roofs will start the first part of May. He is planning on working on the car barn in April if weather permits to pour concrete. Peak alarm is going to submit another quote including the shop and bus barn. He also asked Omni to submit a quote for the camera system.

SRO Report

Mr. Empey said that the vape detectors worked and were able to detain a student that had been vaping. His Lidar gun was sent to the wrong entity so he is still waiting for that to be corrected.

Principal Report

Ms. Westfall said that the accreditation has been submitted and in April they will have meetings with parents, students, teachers, and board members. She presented a power point on the new software program that compares data on the testing. Ms. Westfall said the ISIP score is compared to pre-pandemic scale. They are looking at the science of reading as one of the criteria's. She stated that Launchpad has been very helpful.

Superintendent Report

Ms. Holden reported that the February payment came in and she said it appears we are where we need to be for budget unless the state legislation decides to make a cut, but so far they have not. The teachers are allowed to spend their additional $100 for classroom supplies. She said one of the biggest concerns is IDLA not being funding, which provides dual credit and supplemental courses that expand student opportunities. Ms. Holden also shared that the recent facility inspection went well, and a full report will be presented to the board next month. The inspector specifically commended how the Securing Our Future grant was utilized.

Consent Agenda

Motion was made to accept the consent agenda by Mr. Strong, seconded by Ms. Williams. Motion passed.

Red Cord Designation at Graduation

Honor Society would like to allow the students who donated blood to be able to wear a red cord on graduation. This would also mean if they couldn't donate blood but assist in the blood drive they would also be able to wear the red cord.
