Negotiation Meeting
May 13, 2019

MINUTES

Call to Order 4:05 p.m.

Present Orvin Jorgensen and Laurie Small, school board representatives
Jolene Johnson, Kathy Wagoner and Sherry Locascio, teacher representatives
Paula Gordon, Superintendent
Gayle Woods, Business Manager

Those present were in agreement on all changes previously approved in the Professional Agreement.

The board, superintendent, and business manager stated they thought going with the state ladder was the appropriate thing to do. This will make it easier for the business manager rather than having several different steps within the district that do not coordinate with the state. A roll call vote was done with all negotiators voting aye.

Mr. Jorgensen stated the board will take responsibility for making a district evaluation format, but that they would appreciate any input from the employees in the district.

The CCEA will have a meeting as soon as possible to present the proposed agreements regarding the master contract and pay scale to the teachers' union for ratification.

Adjourned 4:25 p.m.
