Superintendents and Charter Administrators,

The Idaho Department of Education is pleased to announce training opportunities focused on the implementation of strategic planning as outlined in **HB 1339**. These trainings are intended for **superintendents, charter administrators, and school board members**.

Thank you for registering by November 20th. There is **no cost** to attend the training. Lunch will be provided both days.

The training will be offered at the following locations:

- **December 1-2, 2026** | Boise | AC Hotel Boise Downtown
- **December 3-4, 2026** | Pocatello | Idaho State University
- **December 7-8, 2026** | Moscow | University of Idaho

These sessions are designed to help LEAs move beyond compliance and use strategic planning as a meaningful tool for continuous improvement. The goal is to support districts and charters in developing and implementing strategic plans that engage stakeholders, establish clear priorities, align resources, and improve student outcomes.

Please **share** this information with your board members.

If you have questions, please contact Deputy Superintendents **Spencer Barzee** (sbarzee@sde.idaho.gov) or **Alicia Holthaus** (aholthaus@sde.idaho.gov).

Thank you, and we look forward to your participation.

Spencer
