Hello Everyone,
Thank you for joining the Zoom meeting on Wednesday, September 16.
Due to ongoing technological issues, I am unable to provide the recording link from the meeting at this time. I will send the Zoom recording link as soon as the issue has been resolved.
In the meantime, I have attached the following resources for your reference:

- A PDF Workbook Strategic Plan Matrix
- A PDF version of the PowerPoint presentation used during the Zoom meeting

To support your strategic planning work, a secure folder will be assigned to each district with an active Strategic Plan Matrix. Districts will use these folders to upload and maintain their Strategic Plan materials and related work products.
Thank you for your patience and understanding. If you have any questions, please feel free to reach out.
Best regards,

Alica Holthaus
